

HIS Small Wonders Preschool 2020-2021 Back to School Plan

Providing a safe learning environment for our students is HSW's top priority. With the continued spread of COVID-19, we will be implementing the following policies beginning this school year:

- Classes will begin on August 31, 2020
- All students are encouraged to bring a mask to school for use when social distancing cannot be maintained. We will follow recommendations and orders from federal, state, and local authorities in regards to masks
- All toys, surfaces, and common touchpoints will be sanitized on a daily basis with a CDC approved cleaning agent
- All school supplies will be exclusive to each child this year and not shared amongst peers
- If positive cases arise within HIS Small Wonders, extended closures are possible and virtual learning opportunities will be offered
- Special events will be temporarily suspended

***We cannot wait to begin our year together! Please note that additional information regarding this school year will be released soon on our website, hswpreschool.com.**

***All policies are subject to change based on latest recommendations and/or orders from federal, state, and local authorities.**

***If you have additional questions regarding these policies, please reach out to Kristi Nate, Director of HSW, at 574-780-4072.**
